Sir,

Sub: Objections / suggestions to the Public Notice regarding ARR filings and Tariff/Charges.

Ref: Public Notice issued by the TSSPDCL dated 10-03-2016, related to the filing of ARR and Tariff proposals including cross-subsidy surcharge proposals. Our HDN: 698

We would like to introduce "Basavatarakam Indo American Cancer Hospital and Research Institute, Road No.14, Banjara Hills, Hyderabad. We have bed strength of 500. We treat about two lakhs patients as outpatients and about Eighteen Thousand patients as inpatients annually. More than 70% of the patients belong to the Aarogyasri, EHS, Arogya Bhadrata, CGHS and other categories who are provided treatment at subsidize tariff prescribed by the Government. At any given point of time about 50 patients are treated in Intensive care units and all of them require continuous round the clock monitoring, ventilator support and multi organ support care. Besides, we have 6 Linear Accelerator, a medical cyclotron, Pet Scan and umpteen other Diagnostic equipment which require round the clock un-interrupted power supply. Frequent interruptions and voltage fluctuations in power supply was serious problems for these patients in spite of the UPS and generator backup that we have.

We request you to kindly consider these facts and review the recently issued public notice for tariff policy (dated 10/03/2016) given by the Southern power distribution company of Telangana Limited.

(TSSPDCL).
