Respected sir,

Sub: Energy dept – providing incentive of Rs 2/- per unit to the spinning mills on the power consumed certain to include in proposed ARR 2017-18– Reg.

Ref: 1) Govt letter no: 764/Budget/2016-1 Energy (budget) dept. Dt: 08.09.2016
2) Govt Letter No.764/Budget/2016-2 (Department of Energy)Dt: 21.09.2016

We invite your kind attention to the references cited. At the outset we convey our deep hearted gratitude and thanks to The Honourable Chief Minister for having ordered power incentive to spinning mills. We humbly submit sir that you are well aware that on our representation, the Honourable Chief Minister has been kind enough to announce power incentive of Rs 2 /-per unit for energy consumed by the spinning mills to support the industry to withstand the financial crisis being faced by the industry for the last 3 consecutive years.

In pursuance of the above, The Government of Telangana vide its letter 2nd cited has advised CMD of TSSPDCL and TSNPDCL, to allow the incentive of Rs 2/- per unit in the power bill from October – 2016 onwards to all the spinning mills operating in the Telangana State after taking due permission from TSERC but the power concession of Rs 2/- was made applicable only from October 2016 billing month. (Copy of Letter Enclosed).

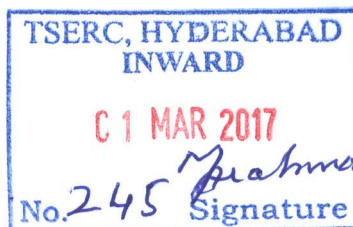

Now since new tariff will be made applicable for 2017-18, we therefore request your good selves to include and approve power tariff incentive of Rs 2/- for Spinning Mills in the new tariff to be made applicable for spinning mills for the financial year 2017-18.

We hope that our request will be considered positively.

With Warm Regards

Yours sincerely,
For Telangana Spinning & Textile Mills Association

(R K Agarwal)
Chairman
