Ref. P. 170119

Date: 19-01-2017

To
The Chairman,
Telangana State Electricity Regulatory Commission
11-4-660, 5th floor, Singareni Bhavan
Red Hills, Hyderabad – 500 004.

Sir,

Sub:Revision of ARR and Tariff for Telangana State Transco. (2017-19)

Ref:Your advt in the Telugu daily Eenadu) dated.27/12/2016 Page.5
(R.O.No.55/16)

I have studied your website and proposals for revision. I am submitting some suggestions below regarding your proposals.

- 1) In the advt cited above, your proposal for two years (2017-19) is mentioned. If a tentative estimate for the year 2016-17 is also printed, it could have helped in proper comparison. Now we don't know the figures for the current Financial Year (2016-17).

The financial support needed for the two years is as follows (K)

2017-18 Rs.1487.32 crores. (See Table - I Next Page)

2018-19 Rs.1994.03 crores. –DO-

Is it correct? It needs cross checking. Kindly consider section 42 (Duties of distribution licensee and open access) of the Electricity Act 2003 while taking a decision on these proposals.

Table-I

Year	2017-18	2018-19
Transmission Charges(X)	14376x1000x9406=Rs.135.23 crores	15021x1000x120.68=Rs.181.28 crores
(Figures from advt ARR)(Y)	Rs.1622.65 crores	Rs.2175.31 crores
$(x/y) \times 100$	$\frac{135.23 \times 100}{1622.65} = 8.33\%$	$\frac{181.28 \times 100}{2175.31} = 8.33\%$
Y-X=K (Financial Support needed)	1622.65-135.23 =Rs.1487.32 crores	2175.31-181.28 =Rs.1994.03 crores

Transmission capacity is going to increase from 14376 MW (2.17-18) to 15021 MW (2018-19)
An increase of 4.48%

But the proposal for increase in transmission charges in the same period Rs.94.06/kw/month to Rs.12068, an increase of 28.3% when capacity utilisation improves, the transmission charges should come down. How so much increase?

3. There should be an integrated approach for deciding these tariffs. The three companies Genco, Transco, and Discoms shouldn't put up individual versions. They should present a mutually agreed total figure. The customer pays only to the Discoms. The Discom tariff includes share of T Transco and T Genco.
4. Power stations of T Genco have got a history of excellent performance. They can continue to get more laurels. Excellence of Discoms can help in attracting entrepreneurs.
5. Discoms are procuring the energy through open access. The three companies should present the proposals on zero base, but not incremental method. We can use the figures of 2014-15 because they are audited. Provisional figures of 2016-17 may please be mentioned.
6. We reproduce a sentence from the recent news letter of institution of Engineers (Vol 66, No.8 page 1)

"The required tariff for solar power has dropped recently to Rs.4.4/kwh from Rs.12.5/kwh- a 65% decline".

H.C.S.Berry
National President (2015-16)
Institution of Engineers

— Contd P3

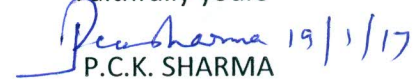

7. In wind power also, there is decline of tariffs. In such a situation, we have to pass some benefit to consumers also.

Hence, we propose to have one the following alternatives for tariff (2017-19) which can be accepted by consumers & peoples representations.

- A. No change in Tariff in next 2 years (2017-18 & 2018-19)
 - B. Marginal reduction, say 5%, for lowest slab, say upto 100 kwh/month because, there is decline in energy prices.
8. Any one of these two alternatives can bring following benefits
- i) Customers are satisfied
 - ii) Subsidy burden on govt., will come down
 - iii) Telangana Discoms can have very good image and appreciation from financial institutions.
9. If you need, I can assit you in detailed working of the figures and try for making these as most conspetitives Discoms in the country.
10. I don't have any intention to criticise or collaborate with protesters. I take this as an opportunity to help Telangana electrical systemto be economically sound, safe and admirable role model. Please don't increase.

Assuring prompt services to support your effort for excellence in energy sector.

Faithfully yours

P.C.K. SHARMA 19/1/17

Annexure II

To.

Ref.

Date :

(proforma as per advt no. 55/16)

1. Name & address of the person submitting application
 pl. see bottom of this page

2. Brief description of the objections/suggestion
 i) not to increase Discom Tariffs
 ii) Reduce ~~latest~~ slab by 5%
 lowest

3. 2017-18 & 2018-19
 Time limit for transmission business & objections submitted
 i) energy prices are coming down
 ii) Transmission capacity increases by 4.8%.
 iii) Expenditure (ARR) increases 28.8%. How?

4. Have you have sent a copy of the objection to concerned. If so pl. enclose proof.
 NO

5. Whether the person is willing to present objections in person
 YES

J. S. Sharma

CURRICULUM VITAE

Name : **P. Chandrakanth Sharma**
Father's Name : Sri P. Balarama Sastry
Date of Birth : 09.01.1949
Nativity : Village & Mandal : Domakonda
(108 Kms North of Hyderabad)
Dist. Nizamabad, A.P
PIN: 503 123, A.P

Academic Qualifications & Foreign Training:

- B.E (Mining) –Osmania University (1965-70) Gold Medalist
- M.Tech (Industrial Engineering & Operation Research) – IIT Kharagpur (1971-73)
- Diploma in Labour Laws, Madras University (1995)
- Training in UK for 10 Weeks (Systems & Methods) by British Coal
- PG Diploma in Alternate dispute resolution – Distance Education (Conducted by NALSAR, Hyderabad)
- LLB, Kakatiya University (2012)

Working Experience

- a) Govt. of India, Trainee at Bharat Gold Mines (Kolar), Karnataka, 25.03.1971 to 20.08.1971
- b) Tata Consulting Engineers, : Asst. Engineer
414, Veer Savarkar Marg, Mumbai 20.08.1973 to 30.05.1975
- c) The Singareni Collieries Company Limited (Company Profile enclosed as Annexure) (from 26.06.1975 to 31.01.2009)

Company with 40 million tones coal/year with 58 mines (46 underground + 12 opencast) spread over 320 KMs in 4 Districts of Andhra Pradesh) Joined the organization on 26th June, 1975 and subsequently served as Divisional Industrial Engineer, Dy. Chief Industrial Engineer, Additional Chief Industrial Engineer, General Manager (HRD). Retired as Chief General Manager (HRD) on 31st January, 2009. (Chief of HRD for 9 ½ years and Industrial Engineer for 24 ½ years)

Subjects Covered

- Total Cost Management, Utilization of Men, Machine & Materials
- Work Study, Manpower Planning, Incentive Schemes
- Systems & Procedures, PMS (Performance Management Systems) etc.,
- Productivity Agreements, Productivity Counseling

JURISDICTION:

Twelve (11) Training Centres spread over four (4) districts distance spread over 320 KMs. HRD Budget for 2008-09

Fixed	: Rs. 6.50 Crores (Establishment)
Variable	: Rs. 7.00 Crores
Total	: Rs.13.50 Crores

Responsible from design to delivery and evaluation of training programmes covering around 1,800 executives and 72,000 employees per year.

- d) At present working as Adjunct Faculty (Visiting Professor) at NIT (National Institute of Technology Warangal (A.P) Institute of Technology Warangal (A.P) Institute of Technology & Management, Warangal (A.P) and practicing as advocate at Warangal.
- e) Visting Faculty, Thapar University, Punjab (2010)
- f) Ex. HR Consultant, NCC Ltd.
- g) Convenor Consultancy Cell, Indian Institute of Industrial Engineers (IIIE), National HQ Mumbai.
- h) Published/presented 31 papers in National Seminars/Journals. Published a book titled "Prosperity in India by 2007 from Dream to Reality" (1999 distributed by Allied Publishers). (copy of book enclose as Annex III and testimonials in Annex IV
Following two monographs under preparation.
 - (i) Progressive Trade Unionism.
 - (ii) Legislation for Engineers

MEMBERSHIP OF PROFESSIONAL BODIES:

- Fellow, Institution of Engineers, Hyderabad
- Fellow, IIIE (Indian Institution of Industrial Engineering) LF 4330 (95)
- MGMI (Mining, Geological and Metallurgical Institute of India) 2829 (77-78)

- National HRD Network (L/HYD/0027/95)
- Institute of Surveyors (M-854)
- National Institute of Personnel Management (NIPM)
- Hyderabad Management Association (HMA)
- Mining Engineers Associate of India (MEAI)

AWARDS & HONOURS:

- Times Research Foundation (1983) for the paper "New Perspectives in Coal Mining. (Co-Author: Sri T.sudhakara Rao).
- Centre for Public Sector Studies (1985) for the paper "Incentive Schemes and Participative Managements to improve productivity". (Co-Author: Sri P.Subrahmanyam)
- Best HRD Manager Award from Hyderabad Management Association (2003 - 04). (Copy enclosers Annex- V)
- As Convenor, conducted a National Seminar (2001) on "Industrial Engineering applications in Mining". Now that is the only publication available on the subject.
- Guest speaker at IIT Kharagpur, 15M Dhanbad, NALCO (Damanjodi) on invitation, delivered "Prof.N.P.Gandhi & Prof.M.P.Natwarlala" Memorial Lecture at Institute of Technology, Banaras Hindu University, on 20th April, 2007(press cutting enclosed.
- Appellate Authority for the Singareni Collies Co Ltd under RTI Act, 2005(from July, 2006 to January, 2009).
- Board Member (External) Board of Studies, Management Faculty, Kakatiya University, Warangal (A.P) India for 2 years from 2005 to 2007.
- Member Board of studies, National Institute of Technology NIT, Warangal, Andhra Pradesh, India. (Since 2006).
- Member of Academic Council of State Board of Technical Education and Training Govt. of AP, Hyderabad (2007-2009).

- Talasila College of Engineering & Management Studies, Paloncha.
- National Institute of Technology (NIT), Warangal.
- Direct Taxes Regional Training Institute, Lucknow.
- Vaagdevi Group of Institutions, Warangal
- ITM (Warangal Institute of Management)

COMPANIES:

- NMDC (National Mineral Development Corporation Ltd)
- NTPC, Ramagundam, A.P.
- MIDHANI, Hyderabad.
- Godavari Fertilizers, Kakinada, A.P .
- Coromandel F.ertilizers, Visakhapatnam, A.P
- Vizag Steel Plant, Vizag. A.P.
- Eastern Power Discom Ltd.,A.P.
- Central Power Discom Ltd.,A.P.
- Vijay Electricals., Hyderabad.
- Allahabad Bank.
- Southern Power Discom,A.P.
- Bharath Dynamics Ltd., Hyderabad.
- Andhra Bank, Kothagudem (AP).
- Sponge Iron India Ltd, Paloncha (AP).
- Power Grid Corporation, Hyderabad.
